Questions to Consider:

- Are my green pastures perishing? What kind of challenging or hard time am I going through right now in life?
- Have I sought Jesus’ personal touch during this time?
- How have I seen His presence working during this time whether it has been in me, through me or through someone else to me?
- Where do I need Christ’s resurrection power to show up in my life?
- Do I live to praise Him in all things?

What is the Holy Spirit prompting me to do?
